Gentleman • Scholar • Sportsman

Old Boys' Mentoring Program

A mentoring and advice pathway for school leavers and young professionals seeking career advice or employment opportunities. The mentoring program will be launched at the Old Boys' Dinner.

The success of social media and sites such as LinkedIn, are testament to the positive impact of networking as a powerful employment tool for school leavers and job seekers.

Advice and mentoring for young adults who are unsure of which direction they may take after leaving School can go a long way to helping choose the right career path.

The connections we make by attending the same School are strong. We intend to harness this knowledge network for the benefit of our young CPS Old Boys and bring together their questions and your knowledge.
